### SCOPE

Suppliers on this Framework Agreement can provide, as a minimum:

- Lot 1 Recycling Bins includes, but is not limited to the following scope; internal bins; external bins; metal bins; plastic bins; lockable bins; non-lockable bins and sack retention systems in a range of sizes and weights and with a variety of fixings and signage requirements. These "Goods" will be utilised in a range of areas including, residential accommodation, kitchens, teaching rooms, office spaces and gymnasiums. This list is not exhaustive.
- Lot 2 Street Furniture includes, but is not limited to the following scope; seating; benches; bollards; planters; bike shelters; bike parking; smoking shelters. This list is not exhaustive.

## AGREEMENT BENEFITS

1. Delivering an overall saving on the total basket of 3%
2. More advantageous pricing based on economies of scale from aggregated spend.
3. Savings can be base lined by comparing prices with the prices you previously paid.
4. A single exercise to establish the overarching agreement and establish the Terms and Conditions of the Framework.
5. Reduced administrative effort and associated cost savings.
6. The development of a longer term relationship with suppliers which is mutually beneficial.
7. You have the ability to call off from the agreement as and when required rather than needing to undertake a full tender process.
8. The Framework allows for the flexibility to determine specific requirements at the call off stage.
9. Framework Agreements support longer term business planning as they span a period of typically four years and allow some stability from market fluctuations.
