SCOPE

Regional Framework for NEUPC members covering Yorkshire and Humberside, North East and Midlands areas. Suppliers ITT responses and evaluation criteria shown below in excel spread sheet but Suppliers also supplied evidence of certifications, risk assessment

AGREEMENT BENEFITS

- All suppliers have passed through a thorough examination at PQQ and ITT stage and have been rigorously evaluated by a Tender Working Party consisting of both Procurement and Estates Personnel
- The framework, as proposed, provides significant flexibility enabling institutions to access a range of suppliers
- The framework provides access to all of the key players in the industry
- The detailed requirements specification within the ITT to which suppliers have confirmed compliance where required will allow institutions to move to direct award or further-competition in a short time-frame
- The framework will provide for payment term discounts of between 0.5% and 1% for payment in 14 days and aggregate spend rebates per lot area of between 1% and 5% based on a sliding scale of spend and payable direct to institutions within the lot area on an annual basis, thus enhancing the drive to increase collaborative spend within HEI's
