This agreement has been extended until the 28th February 2018 to allow for the tender renewal process. Please note Behrens (Francis Price), Contract Furnishings, Custom Group, David Philips and J Walker have yet to return extension letters for this period.

## SCOPE

Soft Furnishings tender:

- Lot 1: Bedding and Bathroom Textiles (including Bedding Packs)
- Lot 2: Student Starter Packs
- Lot 3: Window Coverings

## AGREEMENT BENEFITS

The Framework Agreement reduces the timescales and level of work required to procure goods and / or services that come under this framework agreement:

- o The suppliers listed on the Frameworks have been assessed as being capable and having the capacity to meet the institutions' needs;
- o The mini-competition response time can be, where practicable, shorter than that demanded by a 'full EU' tender.

The Terms and Conditions have already been agreed by the NWUPC and the awarded suppliers, again saving time and work load when using the Framework Agreements.
