TBC

SCOPE

The Engineering and Design aspect of this Framework covers the provision of consumable products used in engineering and design studios and workshops. There are two Lots available:

- Engine Oils and Lubricants
- Polycarbonate (PCB), Perspex, Plexiglass, Acrylic and Other Synthetic Material Sheeting

Products available under this agreement include engine oils, hydraulic oils, greases, lubricants and degreasants, as well as PCB, acrylic and plexiglass sheeting.

National delivery is available; however, charges may apply.

AGREEMENT BENEFITS

- Easy to use - single supplier on each Lot.
- Suppliers are well-established and provide national service.
- Offers RFQ (Request For Quote) capability on uniBuy allowing you to obtain quick quotes.
- Includes net prices for the entire product range, specific to the Higher Education sector (through supplier Fuchs Lubricants).
- Includes a wide range of synthetic sheeting at competitive market rates (through supplier SBA).
- Includes full product catalogues for institutions to facilitate e-procurement.
- Provides option to waive delivery charges where possible – depending on volume and value of the order.

USING THE FRAMEWORK

Both Lots offer a single choice of supplier, and therefore, customers can call off immediately.

Further guidance is available in the Buyer's Guide on HE Contracts Database (www.hecontracts.co.uk).

SUPPLIERS

Lot	Suppliers
Lot 1 - PCB, Perspex, Plexiglass, Acrylic and other synthetic material sheeting LAB4020 SU	SBA Ltd,
Lot 2 - Engine Oils and Lubricants LAB4020 SU	FUCHS Lubricants (UK) plc,
Lot 3 - Storage and Material Handling LAB4020 SU	H C Slingsby plc, Link 51 (a division of Whittan Ind),

SUSTAINABILITY

- Both suppliers are accredited to ISO 14001.
- Suppliers work closely with partners on projects to:
 - Achieve fuel saving (Fuchs Lubricants)
 - Improve the sustainability of products during the product development cycle (SBA)

Fuchs can further provide data for Scope 1 and 2 Carbon Emission.

NEXT STEPS

To start taking advantage of this agreement right away, please visit the Engineering and Design page on HE Contracts Database at: www.hecontracts.co.uk. From there, you can view the contracts, suppliers, supplier contact details, terms and conditions and a complete Buyer's Guide.

If you need assistance, please contact the person with responsibility for procurement at your institution, or SUPC Contracts Manager Sarah Viney at s.viney@reading.ac.uk.
