This framework covers all the member institutions for the participating consortia and is fully compliant to all EU Directives.

Please see the buyers guide for the regional coverage of each supplier.

Contract Extended to 31/08/19.

Please note that David Phillips have declined to participate in the first agreement extension and were consequently removed from the framework agreement effective 1st September 2018.

The agreement has been extended to allow adequate time to complete the retender due to supplier resourcing issues.

SCOPE

This framework covers all aspects of white goods and associated products and services including (but not limited to): Refrigerations, Cookers, Ovens, Washing Machines, Tumble Dryers, Dishwashers.

AGREEMENT BENEFITS

1. Delivering an overall saving on a range of products
2. More advantageous pricing based on economies of scale from aggregated spend.
3. Savings can be base lined by comparing prices with the prices you previously paid.
4. A single exercise to establish the overarching agreement and establish the Terms and Conditions of the Framework.
5. Reduced administrative effort and associated cost savings.
6. The development of a longer term relationship with suppliers which is mutually beneficial.
7. You have the ability to call off from the agreement as and when required rather than needing to undertake a full tender process.
8. The Framework allows for the flexibility to determine specific requirements at the call off stage.
9. Framework Agreements support longer term business planning as they span a period of typically four years and allow some stability from market fluctuations

USING THE FRAMEWORK
