Please note April 2020 Living Wage Rates to be used in mini-competitions and call-offs:

- Statutory National Living Wage (25 years and over): £8.72
- Living Wage Foundation National Living Wage: £9.50
- London Living Wage: £10.85

If a pay rate above any of the NWL, LW or LLW is used by a Member Institution, these rates are to be fixed for the first year of the contract unless otherwise specified at Further Competition stage. Any increases will not exceed the % increase that year for the LLW and will be subject to agreement with the Member Institution.

The NLW, LW and LLW will be updated annually.

SCOPE

This agreement covers the procurement of security services within Greater London and the South East of England (Kent, East Sussex, West Sussex, Surrey, Hampshire, Berkshire, Oxfordshire, Buckinghamshire, Hertfordshire, Bedfordshire and Essex).

Lot 1 - Security Services: Guarding and Reception (Large)

This lot is for contracts over £250k per annum and incorporates a range of security services including but not limited to guarding, reception services, internal and external patrolling, access control of people, incident management, CCTV monitoring, security systems management, door supervision and event security, and cash handling.

Lot 2 - Security Services: Guarding and Reception (Small)

AGREEMENT BENEFITS

An OJEU-compliant route through which Members can purchase security services dependent on individual requirements.

A framework designed with Members specifically in mind, with input from a Project Team made up of procurement and FM representatives from across the higher education and cultural sectors.

Competitive pricing, with elements fixed at framework level. The real benefit and value of this agreement will however be determined at further competition stage. Suppliers will have the opportunity to win business and improve their pricing at further competition stage, and will therefore be incentivised to offer competitive quotations.

A mix of larger national firms and local small and medium-size enterprises (SMEs), with proven experience of delivering these services to higher education, further education, research and cultural sectors, as well as the wider public sector and private sector.

**SUSTAINABILITY**

Sustainability criteria has been assessed at both PQQ and ITT stage within this procurement. Due to the nature of this framework, additional marks were awarded for adherence to the Base Code of the Ethical Trading Initiative (ETI) and also for demonstrating the steps taken by suppliers to guard against modern slavery, human trafficking, forced and bonded labour and labour rights violations in their supply chain.

It is also a condition that any sub-contractors used on contracts under the Framework are to be paid within 30 days.

Within the Framework Agreement Terms and Conditions, suppliers have signed up to producing a Modern Slavery in the Supply Chain Due Diligence Report identifying the main risks of modern slavery, human trafficking, forced and bonded labour and labour rights violations in its supply chain, highlighting the main areas, countries and at risk and the steps to be taken to mitigate such risks at short, medium and long term within 90 days of the commencement date. The report is to be updated annually by the Supplier and monitored by LUPC.
