SCOPE

The framework is intended to provide a full removal and relocation service framework for commercial use by members. Not included within the evaluated scope of this framework was personal or household relocations which forms part of the Global Mobility Framework.

Lots were separated into:

Lot 1 Commercial Removal and Relocations Services

Lot 2 Removal and Relocation of Arts and Artefacts

Lot 3 Removal and Relocation of Laboratory Equipment and Furniture

Lot 4 Provision of Crate Hire and Purchase

AGREEMENT BENEFITS

- Market coverage in the supply base allows direct contact with leaders in the various specialist areas, some of which are not available on alternative frameworks.
- CSR issues considered in the evaluation including compliance with work time directives, carbon reporting and modern slavery.
- MI reporting at consortia level will be direct and so within control, improving savings reports for members.
- Direct control of contract management and reviews at consortia level.
- Standard SLA in place for call offs.
- Significant cash savings as demonstrated in section 10
- Potential to achieve additional savings by committing to sole supply contracts
- Potential rebates from suppliers depending on aggregated annual spend
- Commitment from most suppliers to work with members on careers opportunities / placements

USING THE FRAMEWORK

Lot 1t has a regionalised supply base and the buyers guide should be referred to to confirm the supply base for each regional area. For this purpose the UK was divided into 11 regions and as part of the award most regions have some local representation.
