· Added Value Managed Services – The Framework Agreement offers access to a range of products aimed at increasing the efficiency of mail production and preparation.

AGREEMENT BENEFITS
This Framework Agreement offers the following benefits:

· A pre-competed and compliant route to market providing a vehicle to centralise procurement spend;

· Mitigation of Procurement risk surrounding EU Procurement;

· Reduction in administrative costs and efforts;

· Provides flexibility to Institutions to determine specific requirements at Call-off Contract in line with the Framework Agreement specification;

· Ceiling rates/maximum pricing defined and agreed for the duration of the Framework Agreement. This pricing can be reduced further at time of mini competition;

· Effective reporting mechanism to obtain accurate, timely and relevant management information;

· Corporate Social Responsibility – adherence to minimum standards;

· BT1 and BT2 saving details

· Pre-defined and agreed Terms and Conditions;

· Shared risk and management of Contractors.
