### SCOPE

Jisc Services Ltd provides a range of Information Security services to eligible organisations including support through the Janet CSIRT (Computer Security Incident Response Team). Vulnerability Assessment Services help to strengthen Jisc Services Ltd's offering in this area - a full list of security products and services are described in the Strategy and Plan available from [www.tinyurl.com/jiscsecurity](http://www.tinyurl.com/jiscsecurity).

The agreement provides a range of options for a partnership approach in terms of marketing the Vulnerability Assessment Services and relevant information about security vulnerabilities to eligible organisations. The Supplier is intended to have a direct relationship and be responsible for the support, provision and invoicing for each customer.
