OJEU Number: 2017/S 048- 088728

*Please note that on extension of the agreement on the 31st July 2021, both Air Filters Ltd and McAlpine Grant Ilco Ltd requested to no longer be on the Framework Agreement.

SCOPE

The agreement is split into the following Lots;

Lot 1 - Air Filters and Associated Products
 Lot 2 - Supply, Fit & Removal
 Lot 3 - Maintenance

AGREEMENT BENEFITS

There are several benefits to using this Framework:

- o Savings are generated by harnessing the buying power of all the participating consortia Members. The Framework Agreement provides an average saving of 50%.
- o A multi Supplier Framework Agreement will ensure that Suppliers remain competitive through the life of the Framework Agreement; and
- o Members have a quicker OJEU complaint access to the market and the framework agreement removes the need to conduct an OJEU tender. Members can Call-Off from the Framework Agreement through Direct Award or Further Competition saving considerable resources and thus providing savings to Members in terms of tendering costs of £6,000.
