SCOPE

The agreement is split into the following Lots;

Lot 1 - Air Filters and Associated Products
Lot 2 - Supply, Fit & Removal
Lot 3 - Maintenance

AGREEMENT BENEFITS

There are several benefits to using this Framework:

- o Savings are generated by harnessing the buying power of all the participating consortia Members. The Framework Agreement provides an average saving of 50%.
- o A multi Supplier Framework Agreement will ensure that Suppliers remain competitive through the life of the Framework Agreement; and
- o Members have a quicker OJEU complaint access to the market and the framework agreement removes the need to conduct an OJEU tender. Members can Call-Off from the Framework Agreement through Direct Award or Further Competition saving considerable resources and thus providing savings to Members in terms of tendering costs of £6,000.
