An average of 4% saving on a direct comparison with unsuccessful bidders

### SCOPE

The framework is intended to provide a full Manned Guarding Service with associated specialist lots for CCTV monitoring if only that service is required.

Lots were separated into 3 geographic Regions 1: North East, 2: Yorkshire and Humber and 3: Midlands.

The duties set out below which may form part of any call off.

- Out of hrs guarding
- CCTV monitoring,
- Static guarding,
- Mobile Patrols,
- Key holding,
- Building Security,
- Door supervisors
- Portering,
- Relevant administrative duties,
- Reception duties.
- Events security cover
- Car Park Management

## AGREEMENT BENEFITS

- Market coverage in the supply base allows direct contact with leaders in the various specialist areas, some of which are not available on alternative frameworks.
- MI reporting at consortia level will be direct and so within control, improving savings reports for members.
- Direct control of contract management and reviews at consortia level.
- Significant cash savings as demonstrated in section 10
- Potential to achieve additional savings by committing to sole supply contracts
- Expert category specific evaluators supported the evaluation of bids.
- Inclusion of some SMEs in the award.
- Agreement at framework level for potential use of 'Living Wage Foundation' pay if desired.
