SCOPE

Suppliers on this Framework Agreement can provide the following products. This list is not exhaustive. Cameras
 Flash Cards
 Film
 Filters
 Lenses
 Lighting Equipment
 Paper
 Negatives
 Printers
 Tripods

AGREEMENT BENEFITS

1. More advantageous pricing based on economies of scale from aggregated spend.
2. Savings can be base lined by comparing prices with the prices you previously paid.
3. A single exercise to establish the overarching agreement and establish the Terms and Conditions of the Framework.
4. Reduced administrative effort and associated cost savings.
5. The development of a longer term relationship with suppliers which is mutually beneficial.
6. You have the ability to call off from the agreement as and when required rather than needing to undertake a full tender process.
7. The Framework allows for the flexibility to determine specific requirements at the call off stage.
8. Framework Agreements support longer term business planning as they span a period of typically four years and allow some stability from market fluctuations.
