Please note a copy of all the scores and weightings for each Lot is available on request on the understanding that the information is kept for your own use and not shared; the information is viewed by Jisc as commercial in confidence.

Users should in the first instance read the Buyer's Guide thoroughly to understand the framework in more detail. Users can either direct award or run a mini-competition within each of the Lots. No award was made for Lots 3,4,6 and 7.

SCOPE

This framework agreement was established to support JSL's customers and other users in purchasing either a Vulnerability assessment service or the tools to undertake assessment themselves. These organisations will primarily be members of Jisc and/or those providing or supporting education, research or culture in the UK.
