SUSTAINABILITY

NEXT STEPS

The White Goods and Associated Electrical Appliances Framework has been divided into the following lots.

Lot 1: White Goods and Associated Electrical Appliances (Great Britain and British Isles)

Lot 2: White Goods and Associated Electrical Appliances (Northern Ireland)

The White Goods Framework has been established for the provision of the following goods/services:

- Ovens, Fridges, Fridge-freezers, Freezers, Washing Machines, Washer/Dryers, Tumble Dryers, Dishwashers, Kettles, Toasters, Microwaves, Microwave & Grill, Steam Irons, Heaters, Sandwich Toasters and Rice Cookers and other large and small electrical appliances.

The scope also includes Televisions, spare parts and services such as installation though it was not a mandatory requirement of the agreement that suppliers were able to provide these additional services.

Please see the User guide for further information on the scope, awarded suppliers and how to use the agreement.
