SUMMARY

Start date: 6th August, 2021
End date: 5th August, 2023
OJEU Number: 2021/S 000-008171
Lead Consortium: APUC
Main contact: Alice Ng
ang@apuc-scot.ac.uk
Website: https://www.hecontracts.co.uk/agreements/960

SCOPE

Contractors on this Framework Agreement can provide, as a minimum:

- Contractual coverage for the supply of quality services to all regions of Scotland and wider UK
- Wide product/services list with controlled, fixed pricing
- Risk Assessment Services
  - Testing of Samples
  - Analysis by independent accredited Laboratory
  - Certified reports
- Water Treatment Services
  - Sampling of Water systems for Legionella, Biofilms and coliforms
  - Analysis by independent accredited Laboratory
  - Full certified reporting
  - Treatment and maintenance of water systems
  - Training services for monitoring and treatment of water systems

AGREEMENT BENEFITS

- Reduction in administrative costs and efforts.
- Ceiling rates/maximum pricing defined and agreed for the duration of the Framework Agreement. This pricing can be reduced further at time of mini competition or through using the Desktop Calculator.
- Effective reporting mechanism to obtain accurate, timely and relevant management information.
- Shared risk and management of Contractors.
- Accessibility to institutions throughout the UK with the inclusion of additional consortia
- Access to good quality service providers, most of which are SMEs
